After Hours Care

Triage nurses are available after hours. If you need assistance during this time, please call **(06) 878 8600**.

Our triage nurses will be able to provide advice or direct you to any other services you may need.

Enrolment

Enrolling is free and voluntary. If you choose not to enrol you can still receive health care services from your chosen GP, general practice or primary health care services provider.

Advantages of enrolling are that your visits to the doctor will be cheaper and you will have direct access to a range of services linked to the PHO.

You can book our doctor and nursing services by calling **(06) 878 8600**. Appointments are available 24 hours a day, 7 days a week, 365 days a year.

Appointments

Please ring **(06) 878 8600** for an appointment.

Every effort will be made to accommodate your preferred time. However, emergencies will always be given priority.

Our reception staff will attempt to contact you if there are any unforeseen delays or if your GP has been called away.

Longer consultation times may be available. Charges apply.

Payments

Fees are payable at the time of consultation.

We accept eftpos, visa, mastercard and online payments. Paywave is also now available.

Fees for enrolled and registered patients are subsidized by the Government for various age groups and services listed at the practice.

Please ask our reception staff for more information.

Repeat Prescriptions

We are happy to issue repeat prescriptions.

However, we ask that you give us as much advance notice as possible.

Repeat prescriptions do incur a charge and the doctor may need to see you prior to issuing for clinical and/or legal reasons — especially if you are not seeing your regular GP.

Please ask our reception staff for more information.

Test Results

You can access your test results by calling the practice on **(06) 878 8600**.

If you do not hear from us following a test, you can assume the results were normal. All results are followed up by Medical & Injury's clinical staff.
